## **COVID-19 BUSINESS UPDATE (Malaysia Lockdown)**

Dear Business Partner,

As per the previous letter dated 17/Mar, we have shut down the production of snap-in type aluminum electrolytic capacitor at Chemi-Con Malaysia SDN. BHD. (CCM) from March 18<sup>th</sup> until 31<sup>st</sup>. Now, the government of Malaysia has announced that the lockdown period is extended until April 14<sup>th</sup>. Due to this situation our Malaysia plant will be shut down during the same lockdown period.

We will continue monitoring the situation at all of our sites, diligently working to give the best possible solutions to our customers. Should you have any questions, our responsible salesperson is available to assist you.

Again, our priority is to ensure the safety and well-being of our business partners and our employees.

Sincerely yours,
