Manufacturing Site Change Notice

SN8205 Series, P/N: 88-00158-00 and 88-00158-02

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata. This is the official notification that some of our products' manufacturing site change will be proceeded as detailed below. Please review this, and indicate your feedback for this Notice in writing by Feedback Due. Your understanding and support are highly appreciated.

1. Product Type, Changes, and Customer/Murata/Alternative Part Numbers:

Product Type: SN8205 Series, P/N: 88-00158-00 and 88-00158-02

Changes: Man Machine Material Method

Before Change	After Change
Siliconware Precision Industries Co., Ltd. (SPIL)	Komoro Murata Manufacturing Co., Ltd. (Komoro)
SPIL SMT manufacturing process and line	Murata SMT manufacturing process and line
SPIL Sourced Non-Critical Items	Murata sourced non-critical items (shield, tape/reel, bag, box, labels)

Please refer to the attached documents for detailed Part Numbers' information.

2. Reasons/Background:

Due to business conditions involving Murata's EMS (SPIL) for this product, it was necessary to bring the manufacture of these products into a Murata factory to better serve our customers.

3. Products Before and After the Change:

There is no change in the products' design and specification. There is no change to the products' form, fit and function.

A few non-critical materials are replaced with Murata's locally qualified materials and suppliers, including the metal shield, the tape and reel, the moisture barrier bag, box and labels.

The product's manufacture is modified to be fully compliant with Murata manufacturing processes, materials and quality control.

4. Change Schedule:

Production Start in New Factory (Komoro): Mar., 23, 2016
 Production Stop in Current Factory (SPIL): Jan., 31, 2015
 Shipment Stop of Current Factory (SPIL) Products: Apr., 30, 2016
 Products' delivery from the New Factory (Komoro) will be started sequentially.
 Please take our apologies for the very short notice.

5. Feedback Due:

Apr. 30, 2016

If you would like to discuss this situation further, please provide your feedback by April 30th.

Otherwise, please acknowledge and accept this change with the confirmation letter.

6. Contact Window:

Should you have any questions or concerns, please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
